Dear M. President

My son Paul tells me he has put in an application for a special course, open to boys who have matriculated, at the R. M. C at Kingston. I should be glad if you can let me know the conditions attached to entry on this course re fees etc and also whether it will mean the loss of the 1st year at the university

Yours Sincerely
W. T. Clarke (M.D.)

Dear W. President

Many thanks for your kind reply to my letter. I am glad to say that my son has decided to withdraw his application to the R.M.C and to continue his course at Trinity. This national crisis is naturally upsetting many of the boys and is making it hard for them to decide in which direction their duty lies, and one does not care, under the circumstance, to exert parental pressure. As I feel convinced that my son is physically unfitted for a military career I am glad your letter has decided the matter for him. Hoping that all your enemies-trouble will die a natural & quiet death and leave you a peaceful & prosperous year I remain Yours sincerely

W. F. Clarke
